Choose Your Own Dentist | Three Cleanings Per Benefit Year
Lifetime Deductible | No Waiting Periods

Spirit Core PPO

The Spirit Core PPO plan helps you cover the costs of dental care. Covered dental services include exams, cleanings, fillings and extractions, as well as crowns, bridges and dentures. Spirit Dental allows you to select your own Ameritas Dental network provider and a plan that best fits the needs for you and your family. The Ameritas Dental Network is one of the nation's largest. You save when you use a network provider as these providers have contracted fees (MAC/maximum allowable charge) through their network agreement with Ameritas. When you use a network provider, discounted fees can generally be 25–50% below the average for your area. Visit [ameritas.com](https://www.ameritas.com) and select [Find a Health Provider](#) to find a provider near you. Simply enter your ZIP Code and choose the Classic (PPO) Network to start your search.

Plan includes a \$100 lifetime deductible combined for Preventive, Basic and Major Services. Lifetime deductible is per person covered by the plan.

Spirit Core PPO | This policy pays for covered dental expenses for in-network providers at the contracted fees (MAC) after the \$100 deductible has been satisfied on Preventive, Basic and Major Services. If you use an out-of-network dentist, you pay the difference between what the plan pays (MAB/maximum allowable benefit) and the dentist's actual charge. These percentages are: 100% for Preventive Services, 50% for Basic and Major Services in year one. In year two, Basic Services increase to 65%. In year three, Basic services increase to 80% and Ortho services begin at 50%. Your benefit year maximum amount is \$1,200 per year.

Spirit Core Choice

The Spirit Core plan helps you cover the costs of dental care. Covered dental services include exams, cleanings, fillings and extractions, as well as crowns, bridges and dentures. This Spirit dental plan gives you the freedom to use any dentist. The Ameritas Dental Network is one of the nation's largest. You save when you use a network provider as these providers have contracted fees (MAC/maximum allowable charge) through their network agreement with Ameritas. When you use a network provider, discounted fees can generally be 25-50% below the average for your area. Visit [ameritas.com](https://www.ameritas.com) and select [Find a Health Provider](#) to find a provider near you. Simply enter your ZIP Code and choose the Classic (PPO) Network to start your search.

Additionally, when you visit a network dental provider your out-of-pocket costs may be lower because the providers have agreed to a contracted fee for services. You are responsible for any coinsurance and the required deductible. It is important to note that if you receive care from a non-network dentist your out-of-pocket charges will be based on Usual and Customary charges*.

Plan includes a \$100 lifetime deductible combined for Preventive, Basic and Major Services. Lifetime deductible is per person covered by the plan.

Why should you choose the Spirit PPO Plan?

In addition to paying lower monthly premiums, the Spirit PPO plan can help reduce your out-of-pocket costs. Network providers have contracted fees (MAC/maximum allowable charge) for each service rendered as the basis for payment under the Spirit Dental Plan. This amount is typically significantly less than the amount which could be charged by an out-of-network dentist. These network providers are prohibited (by contract with the network) from charging you the difference between their typical fee and the amount contracted with the network.

Dentists not participating in the network are not subject to the contracted amounts and are permitted to charge any fee for services they provide. This may lead to greater out-of-pocket costs for you and your family members. The sample comparison chart below will give you an idea of how you can save money by selecting one of Spirit Dental's network plans and visiting an in-network provider for services. It compares the charges between visiting in-network and out-of-network dentists.

NETWORK SAVINGS EXAMPLE

Your Dentist says you need a Crown, which is a Major Service...

Network Fee **\$685.00** | Usual & Customary Fee **\$750.00** | Dentist's Usual Fee **\$985.00**

Spirit PPO

When you receive care from a participating network dentist

Dentist's Usual Fee	\$985.00
Network Fee	\$685.00

Your Plan Pays

50% x \$685 Network Fee	– \$342.50
Your Out-of-Pocket Cost	\$342.50

Spirit Choice

When you receive care from an out-of-network dentist

Dentist's Usual Fee	\$985.00
UCR Reduced Fee	\$750.00

Your Plan Pays

50% x \$750 UCR Fee	– \$375.00
Your Out-of-Pocket Cost	\$610.00

In this example,

you save \$267.50 (\$610.00 minus \$342.50) by using a participating network provider.

Savings from enrolling in the Spirit Network plan depend on various factors, including how often participants visit the dentist and the cost for services rendered.

*Please note: These examples assume that your deductible has been met.

General Information

ELIGIBILITY | The insurance coverage is available in states where it's approved to anyone age 18 and older who does not have coverage through another Ameritas dental plan. You can request coverage for your dependents; dependent eligibility varies based on state law.

DEDUCTIBLE AMOUNT | The deductible is shown in the coverage schedule. The deductible is an amount of covered dental charges incurred by an insured person for which no benefits will be paid.

PREDETERMINATION OF BENEFITS | It is recommended that a treatment plan/course of treatment be submitted when the total cost of eligible expenses for any insured is expected to exceed the amount shown on the coverage schedule. This should be submitted to us before the work is started. If actual services submitted do not agree with the treatment plan, or if a treatment plan is not sent in, we will base our payment on treatment consistent with reasonable and customary charges. Predetermination of benefits is not a guarantee of what we will pay. The estimated benefit payment is based on your current eligibility and benefits in effect at the time of the completed service. Submission of other claims or changes in eligibility or this policy may alter final payment.

TERMINATION OF COVERAGE | Coverage terminates on the earliest of the following dates: the last day of the month in which you cease to be eligible for coverage; the last day of the month in which your dependent is no longer a dependent, as defined; subject to the Grace Period, the last day of the month for which a premium has been paid by You or on your behalf; or the date the policy ends.

EFFECTIVE DATE | When you enroll online your coverage can start as soon as the next day. Do not cancel any other insurance or assume you are insured under this plan until you receive written confirmation. Please note your enrollment may take 4 business days to be processed and accessible through any network providers.

ELIGIBLE EXPENSES | Expenses must be incurred while the policy is in force and the person is covered by the policy. To become an eligible expense, the dental services must be performed by: a licensed provider performing dental services within the scope of their license; or a licensed dental hygienist acting under the supervision and direction of a dentist.

MISSING TOOTH | If an insured has lost one or more teeth prior to this policy effective date, we will not pay for a prosthetic device that replaces such teeth unless the device also replaces one or more natural teeth lost or extracted while covered under this policy. Replacement of congenitally missing teeth is not covered under your plan unless you are replacing a current fixed bridge or denture. This replacement is subject to contract replacement limits.

Limitations & Exclusions

Dental

- for initial placement of any dental prosthesis or prosthetic crown unless such placement is needed because of the extraction of one or more teeth while the insured person is covered under this contract. But the extraction of a third molar (wisdom tooth) will not qualify under the above. Any such appliance or fixed partial denture must include the replacement of the extracted tooth or teeth.

- for charges for which the insured person is not liable or which would not have been made had no insurance been in force.
- for services which are not required for necessary care and treatment or are not within the generally accepted parameters of care.
- because of war or any act of war, declared or not.
- if two or more procedures are considered adequate and appropriate treatment to correct a certain condition under generally accepted standards of dental care, the amount of the covered expense will be equal to the charge for the least expensive procedure.

Orthodontia

- for a Program begun on or after the Insured's 19th birthday.
- for a Program which uses a material other than metal brackets for treatment. The benefit will be considered as though metal brackets were applied.
